

Power Win Powder™

SAFE, ACTIVE & EFFECTIVE PATENT AYURVEDIC PROPRIETARY MEDICINE

Indications (Health Benefits) :

Power win powder is an optimal Ayurvedic medicine which has been prepared by a deep research on various ayurvedic texts and shastras. In ancient times, Rajvaidya used to give it to kings and rich people. It cures dysfunctions of various organs along with the weakness, pain, fatigue and laziness in the body. It increases physical and athletic vitality & develop individual Immunity and increases sexual activity.

It improves digestion and all internal functions of heart, kidney and brain because if our body entire functions correctly then the process of making of - food juice, blood, flesh, fat, bone, marrow and semen will be appropriately. It acts as a mood enhancer and it leads to robust growth of human body. It helps in eradicating impotence, nerve weakness, sperms fall in urine, overcome sexual weakness in elderly people's body. It balances Vata, Pitta and Kapha in human body and circulates a new energy flow in whole body.

DOSE: 10 grams of powder, 2 teaspoon of honey, 1 teaspoon of sugar, 1 teaspoon of ghee- Take it all and mash it down & mix it properly. Take that mixture empty stomach daily in the morning & at evening with cow's milk. If 5 grams of powder is taken then reduce each quantity to half. If there is extreme weakness in patients and semen is too thin or sperm count is low, then take Yovan Ras Capsules 1-2-1-2 at morning & evening along with it.

Apart from following a healthy diet, it is important for people to make certain lifestyle changes too, which can help to improve their sexual health. Stress reduction techniques, such as meditation, deep breathing and yoga also massage therapy are all great for increasing sexual drive and performance. People should make it a point to get an adequate amount of rest, sleep and relaxation, to decrease sexual problems. Leading a sedentary lifestyle is one of the major contributors to sexual problems, in men and women. Hence, getting an adequate amount of exercise each day can be very useful in improving overall health, which also includes sexual health.

Note: If penis is short, loose, skinny or weak then it is highly advised to apply **Yovan Ras Oil** on it and Use **Yovan Ras Capsules** for sexual weakness, concentrating semen, curing impotence, providing erectile strength and enhancing the action of the sex.
